TO all SCHA clubs and members

As of 12:01am Tuesday 29 June 2021, the Emergency Management (Public Activities No 25) (COVID-19) Direction 2021 came into effect with implications for the sport and recreation industry.

A summary of these changes is listed below:

## CURRENT RESTRICTIONS

- ◆ Indoor and outdoor fitness, recreation activities and sport are permitted but a COVID Safe Plan is required.
- ◆ 1 person per 2sqm for indoor and outdoor sport and recreation activities (this includes babies and children but does not include people employed or engaged to work or undertake official duties for the purpose of the activity).
- ◆ Singing is not permitted at indoor premises.
- ◆ Dancing is not permitted at a nightclub or relevant licensed premises.
- ◆ On-site purchase and consumption of food and beverages is permitted at a place if:
  - Food and beverages are only consumed by patrons at an indoor place while seated, and if seated at a table or a bar, there is no food preparation conducted at or adjacent to patrons at a bar area.
  - Food and beverages are only consumed by patrons while seated at a recreational facility (e.g. mini golf, pool tables, tenpin bowling) if shared equipment (such as golf clubs, pool cues or bowling balls) and frequently touched surfaces are cleaned between use by different individuals or groups.
  - There are no communal food or beverage service areas.
  - Snack or hand held food or alcoholic beverages can be consumed standing outdoors while attending sport, fitness or recreation activities.

## QR CODES FOR CONTACT TRACING

- ◆ All businesses or organisations with a COVID Safe Plan are still required to display a COVID SAFE Check-In QR Code, and also provide an alternate paper record sheet, for contact tracing records.
- ◆ Where there are multiple user groups at the one venue e.g. a recreation centre, it is the responsibility of the owner of the venue or the person with care, control and management of the venue to enable the contract tracing process to take place.

## COVID MARSHALS

- ◆ COVID Marshals are still required for all prescribed operations including sporting clubs, gyms and fitness centres and swimming pools used by the public.

## COVID MANAGEMENT PLANS

◆ Approved COVID Management Plans are required for defined public activities where it is expected that more than 1000 people will be participating in the activity.
